Dear SIC Members,

Hope everyone had a good holiday season and wish you all a happy new year. The SIC organizers and volunteers also took a well-deserved break after sustaining a frantic schedule and putting in numerous hours towards making our first Diwali festival a success. We are very encouraged and grateful for the support and positive feedback that we received from each one of you. We are slowly getting back in action and have started planning more activities for 2016.

As a next step in formalizing our organization, we are drafting the Bylaws that will lay down the framework for SIC operation. Please find attached a draft and provide feedback and suggestions. We are also organizing our first Annual General Body meeting (AGM) at Comfort Inn- 923 E 3rd Ave, Spokane on February 21 at 2:00 PM. Before the AGM, we will come up with a final draft for the Bylaws based on feedback from the membership. The Bylaws will be put to vote and if passed will officially be adopted in the meeting.

We would also like to hear from you about any initiatives you would like to lead or particular events you may like to see SIC organize. Having this information in advance will help us better plan the event calendar for the year and schedule for the AGM.

Here is a tentative agenda for the meeting.

1. A brief discussion and vote to adopt Bylaws.
2. Treasurer's report on SIC finances.
3. Discuss proposed event schedule for 2016.
4. Discuss member proposals.

Please look out for a separate Evite for the AGM. Please RSVP by 2/14/16.

Kindly,

Spokane India Community
