Dear SIC members,

As we continue to evolve as an organization, we are making a deliberate effort to push the envelope for events as well as initiatives undertaken by SIC. Over the last year, we have also witnessed a multitude of special interest groups spring up, receive community's support and gain momentum.

As a next step in this evolution we are organizing a live onstage performance of Baul Music by Dr. Uttara Chousalkar. She is an accomplished vocalist with mastery over Classical, Light classical, Folk and Baul music genres. You can learn more about her background and accomplishments at www.uttarachousalkar.com.

Event details:

Venue: Center Place Auditorium

Time: Sunday, May 21st 4:00 PM to 6:00 PM

Format: 4:00 PM to 5:00 PM - Social Hour and Snacks **(Current SIC Members only)**
5:00 PM to 6:00 PM - Music performance by Dr. Uttara Chousalkar **(Open to all)**

Please note that the Auditorium has limited capacity and therefore SIC members get the first dibs. However, depending on the response received by May 8th, we will publicize the event beyond SIC membership and make it open to the at large Spokane Community.

Please RSVP by: 5/8/17 @ <http://evite.me/fwfU77dtCm>

Regards,
SIC
